

District 27-A2

Lions and Lioness Officers Training School

Club President & Secretary_

- Please read this announcement at your next club meeting and give this information to the incoming Officers.
- You have a choice of two different evenings for Officers Training
- The goals of the Officers Training School are:
 - Have each Lion and Lioness value their new office as much as possible
 - Have each Lion and Lioness understand what is expected of them during their year of service
 - Have each Lion and Lioness know where they can get help when needed

Even if your club officers have attended the Officers Training in the past, it is important for them to attend and share their experiences with the group. Their experiences are valuable to first time officers.

- There is a session for new member orientation. Please bring along any new or existing members that have not yet attended an orientation session.
 - Any questions call IPDG JerryWille 414-418-1104,
